**MINNESOTA'S 2ND
CONFIRMED VICTIM
OF INTIMATE
PARTNER HOMICIDE
IN 2025**

Sefiya Churiso Datu, 29, was stabbed to death in St. Paul on February 26, 2025. Sefiya's husband, Kedu Husen Buseri, 34, is charged with second-degree murder. On the afternoon of February 26, Buseri called 911 and said someone had killed his wife. When officers arrived they found Buseri covered in blood and Sefiya wrapped in a blanket with a knife near her head. A baby was found on a nearby bed but was physically unharmed. Another woman was also present but was not injured. Sefiya was taken to the hospital and died shortly afterward.

Buseri told police he and Sefiya had an argument and he slapped her, then began cutting her. The Ramsey County Medical Examiner's Office determined Sefiya died as a result of multiple sharp force injuries, including a large cut across her throat, cuts on her face, and a cut on her bicep.

We remember Sefiya Churiso Datu.
