MINNESOTA'S 18TH, 19TH, 20TH, AND 21ST  
CONFIRMED VICTIMS OF  
DOMESTIC VIOLENCE HOMICIDE IN 2024**

Erin Abramson, 47; her son Jacob Nephew, 15; Kathryn "Kat" Ramsland, 45; and her son Oliver Nephew, 7, were shot and killed on November 7, 2024 in their respective homes in Duluth. All four were killed by Anthony Nephew, 46, who was Erin's ex-partner and the father of Jacob Nephew; and who was Kathryn's husband and the father of Oliver Nephew. After shooting and killing both women and his sons, Nephew shot and killed himself.

Erin, who worked for the City of Superior, was a member of the Moms Run This Town (MRTT) group and made many friendships with other running moms. She was described as "the happiest person they've seen at five in the morning." Her son Jacob was a "talented academic and generous spirit," a musician who was involved in skiing, knowledge bowl, environmental advocacy, and much more at Marshall School.

Kathryn was a professor in the Art Department at Lake Superior College who loved coffee, plants, anime, and spending time with Oliver. Kathryn was described as a "passionate educator and esteemed colleague" who will leave a lasting impact on her art students. Her son Oliver was described as "a beacon of positivity" who established a "Free Toy Library" so children in his neighborhood had access to toys. Oliver loved sweets, his brother Jacob Nephew, dinosaurs, and his guinea pig and dog.
