PATRICIA ANN SPITZMUELLER
MINNESOTA'S 13TH CONFIRMED
VICTIM OF INTIMATE PARTNER
HOMICIDE IN 2024

Patricia Ann Spitzmueller, 71, was shot in the head and killed on July 18, 2024, in an apartment in Minnetonka. Authorities determined that Patricia's husband Kenneth Spitzmueller, 76, shot and killed Patricia before killing himself. **Patricia is described as a gifted textile artist and Spiritual Director who brought "a bright spark of light" to those around her, as well as endless creativity and warmth. She was widely admired for her award-winning quilt art.** Patricia Ann Spitzmueller is survived by five children.
