VICTORIA JO GAMBLE

THE COALITION TO END RELATIONSHIP ABUSE REMEMBERS VICTORIA JO GAMBLE WHO LOST HER LIFE IN MINNESOTA IN 2024

Victoria Jo Gamble, 38, was strangled to death in her apartment on or around August 12, 2024. Christopher Neal, 45, is charged with two counts of 2nd-degree murder, one count of unauthorized use of a motor vehicle, and one count of theft of a motor vehicle. Victoria and Neal were seen on security camera footage leaving a Sauk Rapids bar together early the morning of August 12, where they went to Victoria's apartment. Neal later left the apartment alone. He was later found in a Louisiana hotel with Victoria's stolen car. According to court documents, on August 1, Neal was charged with domestic assault strangulation in Aitkin County in a case involving another victim, and was released on bail. On August 12, the Aitkin County Sheriff's Office reported a violation of a Domestic Abuse No Contact Order (DANCO) that was put in place between Neal and the victim in that assault. A warrant was then issued and he was formally charged for the violation on August 19 after being arrested for Victoria's murder. As of this time, the exact relationship between Victoria and Neal remains unclear. **Victoria Jo Gamble was described as "very social and loved being around people and her friends, but most of all loved spending time with her two boys." She leaves behind two children.**
